

DESCRIPTION

O&GR (OIL & GREASE REMOVER) EUV is a neutral blend of active cleaning agents and emulsifying solvents. It penetrates and dissolves grease, oil, and grimy soils, forming a soluble mixture which can be rinsed away with water.

O&GR EUV can be used as a cleaner for metal, parts and tools, painted and unpainted surfaces, decks, bulkheads, machinery, engines and wherever grease, oil, and grimy soils are a problem.

APPLICATION & USE

O&GR EUV may be applied undiluted by brushing, wiping, or spraying. Hose off with fresh or salt water 10-20 minutes after applying. Where hose rinsing is not possible, use a sponge to apply rinse water. Thoroughly rinse to avoid streaking. For use in solvent pans or tank cleaning of parts, tools, etc., apply O&GR EUV undiluted or cut with four (4) parts kerosene or other suitable petroleum solvent. Soak parts until the soil is softened. Rinse with water or wipe with a clean cloth.

O&GR EUV is used to clean deck plates, tank tops, machinery, bilges and for general deck and engine room maintenance. For cleaning oil from tanks, it is sprayed full strength on contaminated surfaces and allowed to soak in before being hosed off with fresh or salt water. O&GR EUV is suitable for steam cleaning.

TYPICAL PROPERTIES

Appearance:	Clear, green-blue liquid
Specific Gravity @ 25 °C:	0.82-0.87
Flashpoint (PMCC):	62 °C min

NOTE: Always wear the appropriate personal protective equipment when using this product.

PACKAGING

O&GR EUV is available in 25-liter containers (PCN 0157405).

IMPORTANT INFORMATION

Drew Marine maintains Safety Data Sheets on all of its products. Safety Data Sheets contain health and safety information for your development of appropriate product handling procedures to protect your employees.

Our Safety Data Sheets should be read and understood by all of your supervisory personnel and employees before using Drew Marine products.

FEATURES

- Superior blend of emulsifying agents
- Free rinsing

BENEFITS

- Suitable for grease, oil, and grimy soils
- Saves time and effort
- Cost effective
- Leaves no residue
- Does not streak or stain
- Suitable for use with most equipment
- Non-corrosive to metals
